## ICGEB Research Grants 2023

### CRP - Collaborative Research Programme

**ICGEB** offers a dedicated source of **funding for outstanding projects** in ICGEB Member States, with the goal of promoting collaboration, training of young scientists and the development of research facilities.

The programme provides support for research activities in **basic life sciences, human healthcare, industrial and agricultural biotechnology and bioenergy**.

Applicants should hold positions at **Universities or Research Institutes** in any of the **ICGEB Member States\***

A new special category, Early Career **Return Grants**, funds young researchers, who have spent a minimum of 2 years abroad and who have recently returned to an ICGEB Member State to establish an independent laboratory.

**Closing date for online submission: 30 April 2023**
